

# HOW TO CREATE A STUDENT ACCOUNT

## Overview:

myBlueprint is a web application that will be used to support you through your Career Education journey. You will use it to complete tasks, join a class, create artifact collections that you can showcase and present, and explore what life will look like after high school.

## Getting Started:

1. Visit [www.myBlueprint.ca/sd38](http://www.myBlueprint.ca/sd38)
2. Click **Sign Up**
3. Select your school from the drop down menu and click **Create Account**.
4. When prompted to select your account type, click on **Student**, select your grade, and click **Continue**
5. Enter your Education Number (**PEN number**) and **Personal Info**, and click **Continue**
6. Enter the **Account Info**, and agree to the Terms of Use and Private policy. Click **Continue**.

## What do I do if I Forget my Login Information?

- **Forgotten password?** You can reset your password by clicking on the 'Forgot your password?' link
- **Forgotten email?** Ask your teacher to reset your email.
